Decontarea interventiei de catre CASMB

In functie de conditiile de contractare ale CNAS, anumite interventii pot beneficia de oferte decontabile. Avand in vedere ca modificarile contractului cadru folosit de CASMB nu sunt in controlul Regina Maria, solicitati la biroul de internari din spital oferta si detaliile complete aplicabile la momentul respectiv. Pentru efectuarea anumitor interventii in regim de decontare este posibil ca abonatul sa fie nevoit sa parcurga un proces de screening anterior programarii unei interventii chirurgicale. Incadrarea unei anumite interventii chirurgicale intre cele decontabile cu CASMB tine de politica comerciala a Regina Maria, aceasta rezervandu-si dreptul de a modifica oricand lista interventilor decontabile.
